The Dimmer View

BY MAX GOODWIN

This week we have a better excuse for some of the typographical errors which may appear in these columns. One of our more masterful printers, Lupe Rodriguez, has been under a nervous strain during the past week.

Several times during the week Lupe would get a telephone call, and off he'd tear to the hospital with his wife.

A few hours later he would return, shaking his head.

Not so on Saturday, however. When the call came he grabbed his jacket and was ready to go.

"Lupe," I asked, "what will it be, if this trip is fruitful?"

"A boy," he answered resolutely.

"For a dollar bet?"

"Yes."

When I came into the shop Sunday morning there was a cigar on my desk with a dollar bill wrapped around it. That's how I learned this newspaper's family has increased by one, a seven pound six ounce bundle of femininity named Jessie Rene.

The World Series is over but it left a mark of sadness on a segment of the sporting element in Lemon Grove.

As most cafes are wont to do, Harvey's had a pool on the series, one of those big $1 ones with $100 as the prize. Came the middle of the last game and the card by which the winners are figured got plenty of work-out each time the score changed. But the bar-

Doolin Heads Swimming Pool Association

Frank C. Doolin, 8054 Imperial, long-time member and ardent worker for the Lemon Grove Swimming Pool Association was elected president of the association Monday night. He is active in Golden avenue PTA and is former Flash 308 Commander and present Neighborhood commissioner. He replaces Dr. Robert F. Burns.

Vincent Mullen was elected vice president; Mrs. Robbie Kraft, secretary; Mrs. Lois Burnworth, treasurer, and V. J. Dorman, legal adviser.

The organization holds a money raising event each year by which a community swimming pool is expected to be built. The association holds property at Washington and Mt. Vernon which is the proposed site.

City Council Hopefuls Number 26 In New Total

The name of Capt. Lawrence F. Vlach, 3282 Kempf street, was inadvertently left off the list of persons who have filed for a seat on the city council in last week's story in the REVIEW. Vlach brings the total to 26 persons who have filed. Deadline for filing was at noon October 2. Five councilmen and a mayor will be elected if the Lemon Grove incorporation issue passes at the November 25 election.

SKULL AND BONES OF MR. JONES—John Quinn and Gerald White, both of El Cajon, exhibit skull and bones they found under an old Lemon Grove house they were demolishing. Bones proved to be part of a skeleton used by former resident of the house, a medical doctor named Frederick White.

Grizzly 'Mystery' Fizzles, Bones Prove 'Playthings'

Human bones including a skull found under an old home being wrecked at 8028 Lincoln avenue, across from the Lemon Grove education center, gave sheriff's deputies all the makings of an old-fashioned mystery Tuesday.

The "mystery" fizzled, however, when it was revealed that the skeleton, the property of a doctor who one occupied the house, had been used as a plaything by his son. It had been stored beneath the house due to lack of storage space.

Workmen, tearing down the old frame house to make way for a new apartment building found the bones in an old sack. Stuffed into the eyesockets of the skull were pieces of paper torn from a newspaper dated December 27, 1900.

Report of the finding of the bones was made in this newspaper by C. W. Zelechka, a nearby resident of 8143 Balwin road. He was out looking for his young son as the workmen uncovered the bag of bones.

The workmen, John Quinn and Gerald White, both of El Cajon, called the sheriff's department as soon as the discovery was made.

The house has been the home and office of Dr. Frederick Paul White from about 1900 until he died about 10 years ago. White's widow, Fannie, died last year.

The couple's son, Chester F. White, of Escondido, told sheriff's men the skelton had been around the house as long as he could remember and that he often played with them when he was in grade school.

The skelton was obtained about 1879 from the University of Louisville Medical School.

Knowland Rally Here Saturday

U. S. Senator William "Bill" Knowland, and an entourage including Ward Bond, the famed movie and television star, will be the major attractions Saturday at the Knowland for governor rally to be held in Lemon Grove at St. John of the Cross church rodeo grounds, Broadway and Sweetwater road.

The get together, billed as Knowland Circus Rodeo will be held from 1 to 3 p.m. with free balloons, free ice cream and an assortment of special acts.

There will also be plenty of handshaking and good, old fashioned politicking. Already committed to the Circus-Rodeo is another U.S. Congressman, Representative James Utt of this district.

Bill Shearer, candidate for the state assembly, who helped arrange the details of the get-together said preparations were being made for upwards of 5,000 persons. He said that other Republicans whose schedules permitted would be in attendance.

Radio and television coverage has been invited, he said.

Handbills are being distributed in the business area of Lemon Grove Friday afternoon and evening and Saturday morning inviting residents to join in the affair. The special inducements of ice cream and balloons are being offered to kiddies . . . if they bring mom or pop.

Congressman Utt is also taking part in service club gave-

Expert Sees Huge Surplus Of Funds For L.G. City

Twenty-four of the 26 candidates for council for the proposed city of Lemon Grove were guests Monday night at a dinner at Michael's. The dinner was given under the sponsorship of the Committee of 1,000 for Incorporation.

The group, together with board members of the Lemon Grove chamber of commerce heard John Johnston of Long Beach tell of

The Men's Club will set aside part of the meeting time each week to hear candidates for council for the proposed city of Lemon Grove.

Last week four such candidates were introduced and gave a brief campaign talk. Those speaking included R. Vaught, J. Spears, Dr. G. Chassy and F. Brauer.

Other candidates are urged to make an appearance each Friday.

nine other California cities, recently incorporated, having amassed surpluses ranging from a half million dollars upward.

"Lemon Grove will have a huge surplus the first year," he said. Johnston's organization handles community problems such as incorporation and annexation. He is guiding the mechanics of incorporation here.

"This is positively your last chance for local governmental control," he told the group. "I can assure you that annexation to the city of San Diego, whether you like it or not, will follow piecemeal in event the election for incorporation fails."

The election will be held in Lemon Grove November 25.

Candidates were invited to pledge themselves to the principles of incorporation with the Rt. Rev. Msgr. John McDonagh delivering the charge.

Each of the candidates was introduced and a question answer period followed other formalities.

Attorney Earl Smart gave the keynote address and Mrs. Louella Fellows, co-chairman of the committee for incorporation, welcomed the candidates. H. E. LeBarron, who shares the chairmanship, was absent because of conflicting activities.

The meeting was presided over by Smart, president of the chamber of commerce.

2 Sections This Week

This issue of the LEMON GROVE REVIEW is in two sections. The second section is a tabloid containing some of the most dramatically bargain-priced merchandise ever offered in this community.

This tabloid will also be distributed, by the merchants themselves, to residents in and around the Lemon Grove area.

You, being a subscriber, will get your copy with this newspaper, another will come to you from the Lemon Grove Boosters club, an organization which sponsors better merchandise bargains to make Lemon Grove a happier shopping center.

LOCAL CLUBS TO SELL APPLES FOR CHILDREN

Lemon Grove Kiwanis Club members will be selling apples on Saturday of this week for the support of youth activities and aid to underprivileged children.

School District Bonds Passed 5-1 By Voters

Voters in the La Mesa-Spring Valley school district Tuesday voted 5,034 to 1,366 for approval of issuance of $2,475,000 in bonds to finance a five year building program for the district. Percentagewise, 27.9 of the registered voters went to the polls.

Breakdown of the voting by precincts was:

Fletcher Hills—yes, 398, no, 63; Murray Manor—yes, 895, no 83; Northmont—yes, 544, no 56; Brier Patch—yes, 130, no, 35; Rolando—yes, 406, no, 161; La Mesa elementary—yes, 421, no, 188; Lemon avenue—yes, 401, no, 255; La Mesa Dale—yes, 309, no, 174; Spring Valley elementary—yes, 496, no, 92; Spring Valley junior high—yes, 251, no, 115; Casa de Oro—yes, 437, no, 109; Bancroft—yes, 205, no, 65.

The balloting was 4,972 to 1,386 to give school district administrators the authority to accept $3,270,000 in state loans.

Irrigation District Will Enlarge Tank

SAN DIEGO (CNS)—Helix Irrigation District last week won county permission to enlarge its storage tank in the Grossmont area to 1,800,000 gallons capacity. The present tank, on Carmen drive, is about one-sixth that size.

The new tank will be 45 feet high and 100 feet in diameter, according to information filed with the County Planning Commission.

The district had filed an application for a special use permit with the planning commission in 1957 and had received a permit, but it was not used. The permit granted Friday covered a larger tank than asked for last year.

$100 WINNER—Four-year-old Pamela McAllaster hands Mrs. Clarice Bennett, 3719 Suffolk drive, winning ticket she drew Thursday of last week from the huge drum at the Lemon Grove merchants' jackpot drawing at the Plaza. Earl Nelson, president of the Booster's Club, sponsors of the drawing, holds Pamela. Mrs. Bennett's winning ticket, good for $100 in script at Lemon Grove stores, was for 10 percent of the total jackpot of $1,000. Another $100 will be added to the total this week, bringing the amount to $1,000 again when the drawing is held on Friday at 7 p.m. at the Plaza, a change from 3 p.m. on Thursdays. Mrs. Bennett said she didn't expect to win because she "isn't lucky." The tickets are distributed free to Lemon Grove shoppers by merchants. Pamela is the daughter of Mr. and Mrs. Paul E. McAllaster, 4342 Vista way.

SV Sewer Contractor Seeks Penalties From County

SAN DIEGO (CNS)—Dorfman Construction Co., from which the county is seeking penalties for delays in laying sewer lines in Spring Valley, this week made demands of its own on the county.

Dorfman company asked supervisors that it be paid for the use of the sewer lines on Kenora drive by property owners and the county over the last eight months. Supervisors, who are also directors of the Spring Valley Sanitation District, turned the Dorfman request over to the county counsel's office and the department of public works for study.

At present, the county counsel's office is trying to find a way of making Dorfman pay for the added engineering expenses resulting from delays in finishing the Kenora drive lines. The Department of Public Works is seeking the penalties, after several times protesting to supervisors over the delays.

Dorfman company was low bidder Tuesday in another Spring Valley job, on which bids were opened before supervisors. This calls for laying sewer lines on Mt. Vernon street. Dorfman bid $12,490, compared with $12,900 bid by Carroll and Mayer.

Engineer's estimate for the job was $8,861. The bids were turned over to the department of public works to make a recommendation to supervisors. Although Dorfman is low bidder, the county has the right to refuse the bid if dissatisfied with previous work.

LG Fields New Baseball Team

The first Lemon Grove baseball team in the San Diego Industrial league opened the winter season Sunday by defeating the Rohr nine 4-3 in 11 innings.

The new Lemon Grove team, named the Lemon Grove merchants, will play every Sunday on various fields in San Diego. The team is managed by Eddie Erraut, formerly of the San Diego Padres. Erraut and Emil Patrick pitched in Sunday's game.

Merchants sponsoring the new team are: Lemon Grove Sporting Goods, Southland Savings and Loan, CP Appliances, Big Wheel and Lemon Grove Paint and Body Shop.

BLESSED ARE THOSE WHO WAIT—Members of the congregation of St. John of the Cross church have waited a long time for their new church to be built but last week completion of the church was in sight when the steeple was placed atop the building. This photo shows Father McDonagh blessing the steeple during ceremonies October 7 when a 123-foot Forster Truck Co. crane gingerly positioned the steeple. A golden cross was erected later on the steeple.

Brdwy Improvement Petitions To Be Circulated Next Week

Petitions will be circulated next week for improving Broadway from Kempf to Olive, it was announced by Marshall Adams, committee chairman for the project for the Lemon Grove Boosters club.

The petitions will call for the forming of a 1911 Improvement Act for the area to be improved. Property owners along the improvement will pay the costs.

Circulation of the petitions ends three years of work by various groups in an attempt to widen the thoroughfare.

Proposed plans call for an improvement 150-feet wide. This will include a front parking area, parking control curbs, drainage and paving. It requires that property owners deed to public use that part of their property between the present road limits and the set-back line.

The county road department proposes to improve the center part of the thoroughfare. On other parts of Broadway between Sweetwater and College, the improvement will be 100-feet wide and all of the costs will be paid by the county.

Adoption of the 150-wide plan will eliminate an eighteen foot left-turn island. The island will be installed when the road is widened between Sweetwater and Kempf, and between Olive and College.

"We had hoped to get enough property owners along Broadway to approve the 150-foot plan so that the entire thoroughfare from Sweetwater to College could have the center islands eliminated," Adams said. "There was too much opposition to it on a cost basis," he said. "We kept shortening the project until we reached a point where it appeared we could get the job done."

Adams said a second petition will be circulated at the same time by which a lighting district would be formed. This, too will cover the Kempf-Olive area.

The Boosters club is the merchants' division of the chamber of commerce.

GUHS To Screen Info, Refurbish Matador Field

The administrative staff of the Grossmont high school district was ordered to take a second look at the material disseminated through school bulletins.

Such was the report given to the GHS school board Monday night by Lewis Smith, district superintendent. These instructions were passed down the chain of command following the issuance of a court restraining order against Smith and others of the high school for material printed which was said to be political in nature.

Considerable concern was evidenced by Smith and the trustees as to how the administrative staff could inform the public of need for approving election measures.

San Diego County Counsel had given an opinion by which school officials would be greatly hampered in assisting, on school time, any campaign on school elections.

Smith pointed out that much of the information concerning school bond or tax elections is carried to the voter by citizen's advisory committees. He emphasized that statistics and problems familiar to school executives, rather than laymen, make it mandatory for help to be handed down from school officials.

Smith said Tuesday that a complaint by Tom Welbaum, Mt. Miguel football coach, Monday at the Monday Quarterback Club in San Diego "did not include me."

Welbaum charged that a "minority group" apparently aimed at GUHS administrative offices and school trustees in the Grossmont district had been responsible for the condition of the Matador practice field where several football players, including his own son, Jim, had suffered injuries. Jim, he said, suffered broken bones because the field was hard and rough.

Smith said that a sprinkler system and sodding was not a part of the original construction contract. When the school administration attempted to improve the field during the construction of the school, union employes threatened to walk off the job. This threat was made when ice plant was being planted on the field's banks. Later, Smith said, sawdust and shavings were spread to accommodate track activities. Later the sawdust-shaving packed "extremely hard." This was disced but it packed again, and developed a fungus condition which irritated the students' skin. It will be covered with several inches of topsoil until funds can be earmarked to install sprinklers and sod the field, Smith said.

Welbaum said players suffered five broken bones in three weeks. More than 230 boys went out for football this season. Practice is now being conducted at Helix high school field between 7 and 9 p.m.

Judge, Supervisor Clash Over Judicial Boundaries

SAN DIEGO (UPI)—Judge R. Fenton Garfield of the El Cajon Municipal Court and county Supervisor Robert Dent clashed Friday over the county's power to change the boundaries of judicial districts.

Garfield appeared as a witness before the legislative committee on administration to discuss what had happened to the Homeland Judicial District in 1957 and 1958. This district was first made a part of the San Diego district and then, at Garfield's request, was joined to the El Cajon district.

County supervisors indicate no interest in courts, Garfield told the legislative committee, except to cut their budgets. He criticised the county board for adding the Homeland district to San Diego, declaring only the legislature should be able to change boundaries.

Judge Harry P. Bowman, presiding judge in the San Diego district, said putting the Homeland district into the El Cajon court had not been discussed with the judges.

Supervisor Dent said he was attending the sessions as a spectator but declared the judges were in error in their statements.

Supervisors had "two or three conferences" with Garfield before putting the Homeland district into the El Cajon court, Dent added. He said the controversy boils down to something between two judges.

Dent said county authorities were better able to decide court boundaries than a committee in Sacramento.

Garfield explained that another judge (Luther N. Hussey) had opposed putting the Homeland district in the El Cajon district because he lived in the area affected and would have to move.

The boundary change was discussed in a series of bitter letters sent by Hussey and Garfield to Supervisors. The precinct in which Hussey lives was finally left in the San Diego district, so Hussey remains as a judge in that area.

The legislative committee took no action at its hearing. Recommendations as a result of the testimony will be made to the legislature when it reconvenes.

Fire Hydrants Installed In Spring Valley Estates

Thirteen fire hydrants have been installed in the Spring Valley Estates (Bollenbacher and Kelton) housing unit number one, according to a report from Ray Swaner, B and K superintendent, and the Spring Valley fire commissioners. Thirteen more hydrants are to be installed in unit number two. Foundations for that unit are now being poured.

A report from the fire commissioners also stated that new furniture for the two fire stations have been purchased.

1959 Will Be Decision Year For Water-Kraft

Water, a problem which has been paramount in California since the state's beginning, faces a year of decision in 1959, according to state senator Fred H. Kraft, candidate for reelection from San Diego county.

"The battle in the legislature this year," he said, "was a necessary prelude to the actions and agreements expected in the months ahead."

Kraft helped organize and chairmanned the Southern California delegation which, standing firm, contended that water rights and the method of financing the state-wide plan must be fairly and clearly settled before any tax money was committed for major construction.

"Northern California senators," Kraft explained, "demanded millions of dollars for immediate construction, without any agreement defining the water rights of all sections and with no understanding of how the program would be financed. It was an attempt to sell Southern California a "pig-in-a-poke," without guarantees of any kind.

"Next year, these two questions of water rights and financing must be answered. I believe the interests of San Diego county residents will be protected best by retaining those legislators who have studied and worked on this program and problem for years. The decisions to be made will grow out of these efforts so the knowledge and experience of these senior senators and assemblymen are valuable assets."

Kraft has the longest service record of any San Diego county representative in the legislature.

Do You Want Higher Taxes On Your Home?

MR. HEGLAND DOES . . .

Assemblyman Hegland has introduced Assembly Bill 3903 which would raise taxes on homes, farms, and businesses in every school district in this area by the following amounts:

SCHOOL DISTRICT	1957 Tax per $100 A.V.	Tax Rate Under A.B. 3903	Your Added Taxes under Hegland's A.B. 3903
La Mesa-Spring Valley	$1.09	$1.20	UP $ .11
Lemon Grove	1.01	1.20	UP .19
National	.81	1.20	UP .39
San Diego Unified	.43	1.20	UP .77

Do You Want to End Local Control Of Your Property Taxes?

MR. HEGLAND DOES . . .

Part of these added taxes would be used to build schools in other counties. A.B. 3903 would, in effect, institute a state tax on real property by turning your local property taxes over to a state allocation board for statewide distribution.

Do You Want To Destroy Local Control Of Schools?

MR. HEGLAND DOES . . .

A.B. 3903 would destroy local control of schools. It would make "unnecessary" local school bond elections, denying people in local communities a vote on their school construction programs.

Deadline For Children's Pet Fair Set For Wednesday Of Next Week

Deadline for entries in the pet contest for boys and girls 12 years-old and under, sponsored by the sixth annual San Diego Pet Fair which runs from October 30 to November 1, is Wednesday of next week.

Five youngsters having the largest variety of pets will win prizes centered around San Diego Zoo activities. Awards include birthday parties at the Children's Zoo, subscriptions to Zoo Nose, and a year's family membership in the Zoological Society that entitles mom and dad to take the children to the zoo without charge.

Entries are made by writing a letter listing the different kinds of pets owned and taken care of at home by children. Awards will be based on the largest variety of pets listed. Letters should include the contestant's name, address, telephone number, birth date and the signature of one parent or guardian. Letters are to be mailed to San Diego Pet Fair Contest, 514 Spreckels Building, San Diego 1.

The winner will reign over the Pet Fair and open it to the public at a special ceremony on Saturday, November 1, in the Conference Building, Balboa Park.

The first two days of the fair will be devoted to classifying and judging birds in the open color-bred canary and budgie shows, being held in conjunction with the fair. The public is invited to attend Saturday and Sunday, November 1 and 2. There is no admission charge.

Revival Services Scheduled For Baptist Church

First Baptist church of Lemon Grove will begin a special series of revival services this Sunday. Rev. O. B. Martin, pastor of the Bethel Baptist church, Escondido, will be the evangelist. Gilbert Jordan, choir director, will have charge of the music.

The Baptist brotherhood has had charge of the cottage prayer services each evening this week. Visitation is being done by members of the local woman's missionary union, the Sunday school and Baptist training union. Attendance goals have been set for all departments in the church for Sunday, October 26, when all former records are expected to be broken.

Pastor Rochelle states that 87 persons united with the church this past associational year are candidates for baptism. Eighty-four moved their church letters, making a total increase in membership of 171 persons, bringing the total membership to 670. Total receipts for the year amounted to $41,056. $6,476 of the total receipts went to missionary activities outside the church.

The church is in the process of enlarging physical equipment to accomodate 250 additional persons in the educational program. Plans are in the making to renovate quarters for the establishment of a nursery to care for all babies from birth through three years of age. Upon completion of this project the church will have one of the best equipped nurseries in this area. The public is encourage to leave babies in the nursery while attending any or all services.

Palm Avenue PTA 100% In Drive

"Around the World in Eight Days" proved to be an effective slogan for Palm Avenue PTA.

Between October 3 and October 10, 256 new PTA memberships were established. The 100 per cent membership was met by one membership per child.

Sixth graders will receive a prize for attaining the highest percentage mark.

Audubon PTA Slates Meet

Group discussion on the grade level "Know Your School and Each Other" will be presented by the Audubon school PTA on Tuesday of next week, at 7:30 p.m., in the school cafetorium.

Membership chairman Mrs. E. R. Herr will preside. Hostesses will be mothers of fifth grade children.

Betty Seymour Named To Kraft Committee

Mrs. Betty Seymour, resident of Spring Valley, has been named to the county-wide committee which is urging the reelection of State Senator Fred H. Kraft, according to chairman George Bryans, San Diego attorney.

School Official Sets PTA Talk

Lester Wahrenbrock, assistant director of personnel, San Diego city schools, will discuss school curriculum and guidance at the first meeting of the Lemon Grove junior high PTA Thursday of this week at 7:30 p.m. in the school auditorium. Following Wahrenbrock's talk, program chairman Mrs. George Crimm will lead a question and answer discussion.

All teachers will be informally introduced by Robert Sutton, principal. A social period after the business meeting and program will allow parents and teachers to become acquainted.

San Altos School To Reach Capacity During School Year

Lemon Grove's seventh, and newest school opened this week with a population of 360 pupils with no more expected before the year's end to bring the school to capacity, superintendent Byron Nobles reported to the school board Monday night.

He said 150 homes in the San Altos Terrace area will soon be ready for occupancy. As families move in during the balance of the school years the $350,000 facility will reach capacity.

He said that the school was complete in every detail, including cafeteria, when the school opened Monday.

Youngsters attending San Altos were sharing sessions with San Miguel school.

BROWN
FOR GOVERNOR

John A. Vister
Owner and publisher of San Diego and Point Magazine

"I believe it is of significant importance that Brown is moderate, and a liberal, whereas his opponent is intransigent in his thinking and has spent little time in the State. Brown, as Attorney General, has worked tirelessly toward Californias betterment and is a proven, able administrator. Because of his experience, integrity and devotion to public service, I enthusiastically recommend Pat Brown for governor.

Ford brings Thunderbird elegance to the low-price field with
THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! Far left is the new Thunderbird . . . center, the new Custom 300 Tudor Sedan . . . and above, the 9-passenger Country Sedan.

AWARDED THE GOLD MEDAL for beautiful progress — by the Comite Français de l'Elegance at the Brussels World's Fair

The elegant new Fairlane 300 Town Victoria

Styled, powered and priced for today's driving! There *never* was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Elégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these 59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on *regular* gasoline at *regular* prices. *You save up to 5 cents on each gallon!* There's a new aluminized muffler that normally will last *twice* as long as conventional mufflers used on other cars . . . full-flow oil filtration that lets you change oil at 4000 miles instead of the 1000 often recommended . . . new Tyrex cord tires for greater economy and safety . . . a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it ever . . . and *two* new economy power transmission teams that will bring you savings *automatically*. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely *new* Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic driving within everyone's car budget. It's a simplified Fordomatic with nearly ⅓ fewer parts.

NEW economy team Number Two! Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving *plus* the "built-in" overdrive savings of an economy geared axle.

Altogether NEW in everything you can see, feel or touch!

Auxiliary Cited For Service

Members of the Grossmont hospital Women's Auxiliary received citations Friday for volunteer service of 100 hours or more at the second annual awards luncheon held at Singing Hills Country Club. A total of 185 members received awards.

Members of the auxiliary honored served a total of 39,336 hours during a 17-month period.

Homer Streich, Grossmont hospital district treasurer, was presented with a resolution citing him for his "continued interest and help in forming and fostering the growth of the auxiliary." Mrs. Jens Hutchens, immediate past president, made the presentation.

Miss Poinsettia Search Started By Chamber Of Commerce Jaycees

The search for the 1958 Miss Poinsettia has commenced, according to chairman, Ludi Graf, of the sponsoring San Diego junior chamber of commerce. Entries will be accepted by the Jaycees until November 10.

Eligibility requirements for this year's beauty contest are that contestants must be between the ages of 17 and 29, a resident of San Diego county and be single. Judging will be based on poise, personality, and beauty, with preliminary judging in shorts and sweater and the finals in cocktail dresses.

The 1958 Poinsettia queen will reign over the Poinsettia Pageant, which commences November 27 and runs until December 13. The purpose of the pageant is to focus attention on San Diego as the Poinsettia capital of the world. Over 90 percent of all the commercial poinsettias are grown in San Diego county.

Crowning of the queen will take place at half time of the Poinsettia football game, on Thanksgiving night, November 27 in Balboa stadium, between University of San Diego and Montana State University. She will also reign over the Poinsettia invitational basketball tournament, December 12-13, at San Diego State college gym, between the Aztecs, MCRD, Pepperdine and San Jose State College.

Entry blanks are available at the Jaycee office, 947 Columbia and will be mailed upon request.

Sweetwater Raps Mt. Miguel, 33-7

Behind a hard-charging line, Sweetwater's Red Devils walloped Mount Miguel, 33 to 7 in the first league game of the season Friday night at Sweetwater.

Sweetwater drove to a touchdown in less than three minutes of the first quarter. The first quarter ended with the score, Red Devils 20, Mount Miguel 0.

Mount Miguel stiffened in the second quarter to hold Sweetwater to one touchdown scored on a 35-yard pass play. At half time the score was 26 to 0.

Mount Miguel's only score came on a 90-yard punt return by Dave Enos late in the fourth quarter.

The Matadors from Mt. Miguel will tackle Chula Vista at Chula Vista Friday of this week. Last year Chula Vista upset the Matadors on their home field at Helix High and last week Helix High defeated Chula Vista, 14-12.

First Aid Class To Open

Can you cook a perfect meal while you're shopping?

Yes!

When you cook electrically!

WITH A MODERN ELECTRIC RANGE YOU CAN ANSWER YES TO ALL THESE QUESTIONS:

	YES	NO
Does your range turn off automatically when the roast is cooked "just right"?	☑	☐
Does your range "take care of itself" – giving you more time for your home and family?	☑	☐
Do pots and pans stay "white glove" clean?	☑	☐
Do you get consistently good results every time you bake?	☑	☐
Can you boil a pint of water in two minutes?	☑	☐
Are the foods you cook always deliciously moist and juicy?	☑	☐
Does your kitchen stay fresh and cool?	☑	☐

The automatic features of electric cooking enable you to get out of the kitchen . . . and into the family circle. What's more, electric cooking is *quick, clean, cool, economical* and always *dependable.*

TALK WITH YOUR DEALER SOON! Or if more convenient, visit the nearest office of the San Diego Gas & Electric Company where a specialist in electric cooking and water heating will help you with your plans to

live better...electrically!

Incidentally . . . while you're investigating the benefits of electrical living, don't overlook the advantages of an *Electric Water Heater.* Fast, clean, dependable. And because an electric water heater requires no flue or vent, it can be installed in any location that's convenient.

BBB Cautions Against Photography Schemes

Almost 3,000 calls involving photography were received last year by the San Diego Better Business Bureau, according to Cecil Candler, general manager. Despite the fact that only one out of every 10 were complaints, indications are that photography again will be high on the complaint list.

Candler warned the public to be on guard against the door-to-door photographers, who present a perennial problem to the bureau. These are often out-of-town racketeers who come in for a "quick kill," he said.

Frequent causes of complaints are coupon offers in which a person is offered "specialists" at extremely low prices. The coupon usually entitles the unsuspecting customer to one or more "free" portraits, the alleged value of which has been boosted out of proportion to actual worth.

TV Science Show Set For Thursday

The story of how your senses work will be shown in "Gateways to the Mind," new Bell System science series program to be telecast on Thursday of this week, over NBC at 8 p.m.

Dr. Frank Baxter, narrator, will show the human senses are the means through which man maintains his contact with the world about him. He shows further what science has learned about the human senses and how they function.

The new show is the first of eight special hour-long television programs in color to be sponsored by the Bell System during the 1958-59 season.

Area UF Fund Tops $14,000

Lemon Grove and other Heartland Division communities reported this week receipts of $14,632 or 21.8 percent of their goal in the United Fund county wide drive.

Cal Gaen, campaign and industry chairman, made the report for Henry A. Boney, division chairman, at the second progress report meeting at noon Monday in the Mission Valley Country Club.

The figures were given at a second report luncheon at the Mission Valley country club.

Also reported was that two Lemon Grove firms had been presented with awards "for supporting vital community services."

Mrs. Louise Dahl, 2630 Nida place, accepted an award for the Mutual Liquid Gas Co. office at the Heartland division progress report meeting.

The award is recognition for a firm exceeding their corporate yardstick figure.

The corporate yardstick is a formula worked out by a group of San Diego county business men which arrives at a suggested amount for giving. The formula takes into account the number of employes in the firm, the past record of giving of the firm, the community need, and the firm's ability to give as reflected by its profits.

Ralph Clark, chairman, small business section, made the presentation.

The second firm receiving a community service award is the A & B Trottier Co., 7411 Broadway. This presentation was made at the progress report meeting Monday at the Mission Valley Country Club. The award was accepted for the firm by Arthur Trottier, one of the owners.

Future Farmers To Draw 800

The 15th annual Southern California Future Farmers of America Field Day will be held Saturday, with 800 people expected to attend from seven counties.

Announcement was made by Forest M. Berry, general chairman of the day and assistant vice president of Bank of America, sponsor of the event.

The host ranch this year will be the Corona Hereford Ranch of Mr. and Mrs. Ben F. Smith, seven miles northwest of Corona. Events begin at 9:00 a.m. Livestock judging competitions will occupy the morning hours.

After a lunch of 550 pounds of barbecued beef with all the "trimmings," there will be a livestock parade of the show animals the ranch will be exhibiting at the various shows this fall. There will also be showmanship and cattle grooming demonstrations and the presentation of trophies and ribbons to the winners of the morning events.

Real Estate Sales Diminish Slightly

There were 221 real estate sales in the La Mesa-Lemon Grove-Spring Valley area during September, according to Trans-a monthly real estate publication of Union Title Insurance company. The figure represents a sales decline from 267 sales recorded in the area during the same month last year but is a slight increase from 215 posted in the preceding month.

Sales in the county as a whole slid 6 percent below September 1957, less than the national average sales decline, according to real estate economist James D. Downs Jr., editor of Trends.

Profs Badgered To Help Opponent Says Shearer

William "Bill" Shearer, Republican nominee for state assembly (77th district) told the Lemon Grove Men's Club Friday that his opponent, Assemblyman Sheridan Hegland, "has tried to hide his partisan campaign behind public schools."

"One of his supporters, a defendent in a suit on illegal campaign activity, has publicly admitted illegal activity in Hegland's behalf during school hours, on a school campus, using school equipment and materials," Shearer said.

He also said his opponent has the support of most of the school administrators though Hegland's record on Assembly Bills regarding schools does not live up to his reputation. "In reward, Hegland has the support of most school administrators," Shearer said. "Many teachers who do not support Hegland are afaid to take an open stand against him because they fear recrimination from their administrators."

The program at the club this week will be a debate on Proposition 18. This is the controversial "right-to-work" issue. Leo Pieson of Home Federal will debate the affirmative. K. D. Ellis will argue the negative. Bill Parker, PacTelCo manager will preside.

Meeting will be at noon at Michael's. Male residents are invited.

Warns On Mounting Rabies Cases

The San Diego Department of Public Health this week urged dog owners to have their pets vaccinated against rabies.

Dr. F. D. Kilroe, Director of Public Health, said there have been 332 cases of animal rabies in California so far this year, none of which have been in San Diego County. This figure he said is higher than it was at the same time last year.

The following facts about rabies, Dr. Askew added are worth remembering:

Rabies is always present, to some degree, in California wild life.

Dogs, particularly those in rural areas, are in constant danger of exposure to rabies. They may get the disease if bitten by any rabid animal. Rabies is common among skunks and coyotes as well as many other animals.

Because dogs mingle freely with other dogs, a rabid dog may quickly spread the disease to many other dogs. Dogs exposed to rabies may infect the people with whom they live.

Vaccination of dogs against rabies is common sense protection for both dogs and their owners.

PICTURE TALK

by Bob Vaught

THE BIG PICTURE

"Wouldn't you know it," the young fellow said. "The one good picture I snap of the baby smiling has a bunch of blurred toys in the foreground."

I leaned over the counter to get a closer look at the snapshot, and I had to admit the baby's smile was a real 10-carat sparkler.

"Why not try cropping out the foreground," I suggested, "and print up an enlargement of that smile."

"Cropping?" the young fellow repeated. "What's that?"

"Cropping is picture editing," I explained. "It is a way of taking out what you don't like in a picture and saving what you do like. We can crop out those blurred toys for you and print up a 5 by 7 enlargement that would be a knockout."

"You could? Why that would be great," the young fellow said. "Look, better make that an order for a couple of prints. One won't be enough to satisfy the grandparents."

Bob Vaught

Next time you pick up a batch of snapshots take a good look at them. Can one be converted into a prize-winner with a little cropping? We'll be glad to help you with the selection and the cropping. Just ask us the next time you pick up your pictures.

Lebanese Leader Will Speak Here

A special series of services will be conducted at the Skyline Wesleyan Methodist church, 1345 Skyline drive, on Friday, Saturday and Sunday of this week, featuring Rev. Samuel Doctorian, a national religious leader of Lebanon. He will speak at 7:30 p.m. each night.

Rev. Doctorian is making a brief tour of the United States in the interest of stimulating Americans to spiritual responsibility at home and abroad. He has been associated with Dr. Billy Graham in his European crusades and is in great demand as a speaker throughout the Middle East, pastor Butcher said.

Pastor Butcher also stated a united church rally will be conducted Sunday afternoon at 2:30 at the church.

Local Couple To Be On 'Pat' Brown Committee

James Spears, local business man and director of the chamber of commerce, and Mrs. Spears, will be on the reception to greet Atty. Gen. Edmund G. "Pat" Brown, Democratic nominee for governor, when he arrives Saturday to address Heartland voters at a luncheon at El Nadadero Club at 1 p.m.

Time will not permit a stop in Lemon Grove, according to Dr. Basil Maloney, Brown's campaign chairman in this area, but local residents are invited to attend the luncheon which is expected to attract more than 200 guests, he said. Reservations may be made at the El Cajon Brown for Governor headquarters, 345 West Main street, or at the La Mesa Democratic headquarters, 8201 La Mesa boulevard, Dr. Maloney announced.

A major campaign address is scheduled by the candidates as a wind-up of a "meet the people" campaign in San Diego county.

College Grove Center Bids Draw 130 Firms

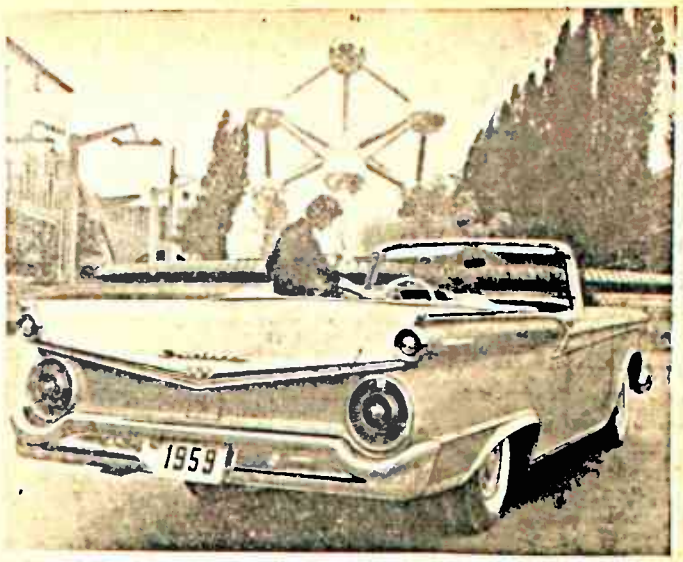
One hundred thirty general contractors, electrical contractors, plumbing contractors, and other business men Thursday attended the opening of bids on construction contracts for the multimillion dollar College Grove Shopping Center.

Bids are for the first phase construction of the shopping center. This portion will cost approximately $7 milion. It will include the store area itself covering 650,000 square feet gross with accommodations for 80 stores; the parking area with space for over 5,000 cars; street lights and the buffer zone separating the center from the surrounding residential area.

General contractors represented at the bidding included Diversified Builders, Inc. of Paramount, California; James Stewart Construction Co. of Phoenix, Arizona; L. E. Dixon Construction Co of San Gabriel, California; M. H. Golden Construction Co. of San Diego; Del E. Webb Construction Co. of Los Angeles; Louis C. Dunn Construction Co. of Los Angeles; T.S Construction Engineers, Inc. of Los Angeles and F. E. Young Construction Co. of San Diego representing a joint venture of Young and Morrison-Knudsen of Los Angeles. The M. H. Golden and L. E Dixon companies also bid jointly.

Sub contracts were bid on by over 39 local and out-of-town contractors for paving, plumbing, electric installations, escalators and various others.

Bid tabulations have been forwarded to Seattle for analysis by John Graham and Company, architects and engineers of the project, James C. Michaelsen said.



Shown in a picturesque Brussels World's Fair setting is a 1959 Ford Sunliner convertible. Ford offers two convertibles in 1959, the soft-top Sunliner and the retractable hardtop Skyliner. Ford's tasteful styling theme in 1959 is a result of consumer demand for more elegance and dignity, as opposed to gaudiness or extremism. In the background is the Atomium, prominent landmark at the Brussels World's Fair. In Lemon Grove the Ford dealer is Spears Ford on Broadway. 1959 models will be displayed starting Friday of this week.

MOUNT MIGUEL HIGH SCHOOL DEDICATED IN BRIEF PROGRAM

Mt. Miguel high school was formally turned over to students and parents of the district Sunday in brief but colorful dedication ceremonies on the school's quad.

The school was presented to Mrs. Robert Graham, president of Mt. Miguel PTA and John Conlee, president of the Associated Student Body. Presentation was made by Palmer Svalstad, Grossmont high school district trustee.

Harold Hughes, associate superintendent of the high school district, reviewed the history of the school after superintendent Lewis Smith gave a welcoming talk.

A flag was presented by the Cuyamaca Parlor of the Native Sons of the Golden West. Introductions were handled by Melvin Grant, principal of the school. Invocation and benediction were given by Rev. Walter E. Smith of the Lemon Grove Congregational church.

Herluff Brydegaard, architect who designed the $2 million building and other local personalities were introduced.

The school was completed after school started last year. Dedication was postponed until now.

Grant pointed out the wisdom of the decision to open the school last year before it was completed. "With 1,800 students," he declared, "it would have been a double-session year."

PROPERTY SOLD FOR AUTO SHOP

Dan Thren, local realtor, announced this week the sale of a piece of business property on Broadway, the second of such pieces he has sold in the past month.

He said William K. Stephens, associated with an auto body and fender shop, had bought the property at 8367 Broadway from Clyde E. Walker. Both parties are local residents.

Earl Smart Named To Knight Committee

W. Earl Smart, a Lemon Grove attorney, has been named to the Attorneys for Knight Committee of San Diego county, according to Ray Blair, area campaign manager for Gov. Goodwin J. Knight, Republican candidate for U. S. Senate.

The Dimmer View

(Continued)

keep, understandably nervous, in trying to stand the card against the wall of the backbar, let the card slip and it dropped behind the permanently fixed bar.

There is one way to get it out, (other attempts having already failed) and that is to remove the backbar. Until that is done, no one will know who the winner is . . . and from the grumbling around Broadway and Olive it had better be pretty soon, too.

Fewer persons than anticipated turned out for the dedication ceremonies of Mt. Miguel high school Sunday.

I think this in no way indicated the lack of interest and love for the project or its sponsors.

Mainly, I think, it was because the ceremoney was held twelve months after the school opened . . . the delay having been caused by rains, a plumbers strike, and other unforseeable events.

Why more parents did not show up for the ceremony is best expressed by the father of one bright lad who attends the school.

"Sure, my boy gave me a mimeographed notice about the event and I knew the school had been in operation approximately a year.

"I also suspected that the dedication was held last year and the youngster just remembered to give me the notice!"

There's a cartoon that has been circulated for years showing a sad-faced cow standing with one hoof on her udder. The cartoon carries the legend: "And you think you've got troubles?"

I couldn't help but think of it when the Helix Irrigation District recently learned there was a house built squarely on top of one of their prized 42-inch flume lines in the south El Cajon area.

Additional sadness crept on the faces of the board members when they additionally learned the house had been built there 19 years ago!

I suppose, if weeping were in order, it would have come to the board when they further learned the house, owned and occupied by an indigent old-timer drawing old-age benfits, cannot be moved without bringing the house up to county building department standards. It would be cheaper to rebuild it!

So they decided to look the other way and pray to the Lord no leak developed under the old house. They also took the same course on a 4-bedroom house built 18 months ago on concrete piers, yet.

Both houses are on acre sites. Best advice offered by HID board: Spend a few bucks and get your property surveyed before you build!

All is not sadness with the water works. Its first employe, John Smith by name, rounds out 45 years of service with the outfit soon.

In this we see the picture of a contented man, a state of being few of us attain in this life of labor.

John started with the water works at the age of 15, as a water boy. He worked with the men on the old redwood flume through which San Diego's water (and this district's) flowed. Within a month John was promoted to the labor crew, a position he still holds today at the age of 60.

He said he couldn't read when he started with the outfit but when his instructions came in written form he had to learn to read in order to survive.

From water boy to laborer isn't much of an advance up the employment ladder, but on the other hand, he hasn't lost ground during the 45 years, a wag said.

I sincerely hope the HID boys will mark his service with some sort of an award. Not the kind they give to those who work out a complicated water-engineering problem. Just one for sticking to the job with an atmosphere of contentment!

NEW BUSINESS—Harry's Auto Supply, 7341 Broadway, reported to be the largest independent auto supply chain in San Diego county, opened its fourth store recently in Lemon Grove. The firm, in business for 20 years, carries a complete line of auto parts and accessories. The Lemon Grove store has off-street parking. Three full-time employes will serve patrons, Lewis Enos, manager of the Lemon Grove store, announced.

NOTICE THAT ASSESSMENTS ARE DUE
FIRST INSTALLMENT

NOTICE IS HEREBY GIVEN THAT the Secretary of the Board of Directors of the Helix Irrigation District has heretofore delivered to the Tax Collector of said District the assessment books as provided by law and the assessments levied by the Board of Directors of said Helix Irrigation District, and equalized by said Board, sitting as a Board of Equalization, are due and payable and may be paid in two installments; one-half of said assessment will become delinquent if not paid at five o'clock P.M. on December 20, 1958, and the remaining one-half thereof shall become delinquent if not paid at five o'clock P.M. on June 20, 1959. Unless the first installment is paid prior to the time on which it becomes delinquent, ten percent (10%) will be added to the amount thereof as a penalty for such delinquency; and unless the second installment is paid prior to the time on which it becomes delinquent, five percent (5%) will be added to the amount thereof as a penalty for such delinquency.

NOTICE IS HEREBY GIVEN THAT THE SECOND INSTALLMENT amounting to one-half of said assessments, is due and will become delinquent on June 20, 1959, and unless said installment is paid prior to that time, it will be subject to the penalty above specified.

NOTICE IS FURTHER GIVEN THAT the payment of said assessments may be made at the office of the Tax Collector of said District in the City of La Mesa, County of San Diego, State of California, on any day except Sundays, Saturdays and holidays, between the hours of 8:00 o'clock A.M. and 5:00 o'clock P.M. until assessments become delinquent.

That on the day upon which said assessments become delinquent payments may be made at the office of the Tax Collector of said District between the hours of 8:00 o'clock A.M. and 5:00 o'clock P.M. of said day.

Fumigation Draws Fire Equipment

A couple of odiments appeared on the Lemon Grove fire department docket this week. The department rolled on a report of smoke billowing from a business address at 7344 Broadway, next to the Coral Inn.

Captain Harry Alexander said the building owner had started a fumigating project and failed to notify the department. Not only that, when the smoke was going good, he locked the door and left. Registered owner of the property is Leonard Imig.

Another roll was to the Grove Nursery at 8249 Broadway, where the operator of the nursery firm was burning out of hours. The department required the owner to douse the fire. No action was taken.

Fire officials remind that burning hours are from 6 to 9 a.m. and 5 to 8 p.m. until December 15. A permit must be acquired first. These are available at the fire station without charge.

Re Construction of a Sanitary Sewer System in EL PRADO AVE., et al, in LEMON GROVE SANITATION DISTRICT, Area No. 61 . . . . .)

RESOLUTION OF INTENTION

On motion of Director Bird, seconded by Director Gibson, the following resolution is adopted:

WHEREAS, this Board of Directors heretofore designated the Director of Public Works of the County of San Diego as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment hereinafter described; and

WHEREAS the Engineer has furnished to this Board of Directors plans and specifications for the construction of a sanitary sewer system in a portion of the LEMON GROVE Sanitation District, together with careful estimates of the costs and expenses of such construction, which are on file in the office of the Secretary of said Board of Directors; NOW THEREFORE,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Directors of the Lemon Grove Sanitation District (hereinafter referred to as the Board of Directors) to order the following work to be done and improvement to be made in said Sanitation District, to wit:

The construction of sewers, manholes and appurtenances in:

EL PRADO AVE: Between the Northwesterly prolongation of the Southwesterly line of Lot 2, El Prado Heights, Map 2744, and the Easterly prolongation of the Northerly line of Lot 40, El Prado Tract, Map 1320.

MAIN STREET: Between the Southeasterly prolongation of the Southwesterly line of Lot 2 and the Southeasterly prolongation of the Northeasterly line of Lot 1, all in El Prado Heights, Map 2744.

EASEMENT: In the Northeasterly 5.00 feet of Lot 2, El Prado Heights, Map No. 2744.

EASEMENT: In the Northerly 15.00 feet of the Southerly 75.00 feet of Lot 39, El Prado Tract, Map No. 1320.

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 345945, on file in the office of the Secretary of said Sanitation District, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California, and copies of which are on file in the office of said Engineer of said District, and by this reference thereof, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Directors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50.00) or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the cost of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semiannually, by coupon, on all sums unpaid, until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Directors, of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Directors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain map bearing number 76-251, indicating the exterior boundary lines of said district, which map approved by said Board of Directors is on file in the office of the Secretary of said Board of Directors as document No. 347944, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of such district.

It is the opinion of said Board of Directors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday the 28th day of October, 1958, at 11:30 o'clock a.m., in the chamber of the Board of Directors of the Lemon Grove Sanitation District, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Directors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Secretary of said Sanitation District, in Room 308 of said City and County Administration Building not later than the hour hereinabove set for hearing. No other protests or objections will be considered.

The Secretary of said Sanitation District is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board of Directors.

The Secretary of said Sanitation District is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Secretary, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Secretary of said Sanitation District shall, upon completion of the mailing of said notices, file with this Board of Directors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and of when the work is to be done, only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable to a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Secretary of said Sanitation District an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendments thereto.

PASSED AND ADOPTED by the Board of Directors of the Lemon Grove Sanitation District, County of San Diego, State of California, this 30th day of September, 1958, by the following vote:

AYES: Directors Gibson, Bird, Dent, Austin, and Howell.
NOES: Directors None.
ABSENT: Directors None.

Material to be supplied by the District shall be made available to the Contractor at the District's yard at 1100 Wagner Street, El Cajon, California.

The District expressly reserves the right, after opening bids, to reject any and all bids or to select either of the schedules and make award to the lowest responsible bidder and reject all other bids.

It is especially called to the attention of the Bidder that the work placed under contract shall be commenced by the Contractor within thirty (30) days after the date of the letter giving notice to the Contractor to proceed; the official starting date shall be said 30th day and shall be completed within one hundred twenty (120) calendar days including Sundays and holidays from such official starting date.

Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Engineer of the District has ascertained the general prevailing rate of per diem wages and rate for holiday and overtime work in the locality in which the work is to be performed for each craft or type of workman needed to execute the contract, which rates are on file with the Secretary of the District, and copies thereof will be made available to any interested party on request. The Contractor to whom the contract is awarded and any subcontractor under him, shall pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract.

Each bid shall be made out on a form attached to and forming a part of the Specifications, which can be obtained at the office of the Helix Irrigation District, 9111 University Avenue, La Mesa, California and shall be sealed and filed with the Secretary of the Board of Directors of said District on or before Nov. 12, 1958, at 9:00 a.m. and published read aloud on or after 9:00 a.m. of that day in the office of the Board of Directors of said District.

Each bid shall be accompanied by a certified or cashier's check or bond secured from a surety company satisfactory to the Board of Directors of said District, the amount of which check or bond shall not be less than 10 percent of said bid made payable to the order of the Helix Irrigation District, said check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract being requested so to do by the Board of Directors of said District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50 percent of the contract price, and a faithful performance bond in an amount to 100 percent of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Directors of said District. The successful bidder shall also be required to meet the insurance requirements of the District as set forth in the General Conditions. All of said bond and insurance requirements shall be completed and submitted to the District within fifteen (15) calendar days from the date the District gives written intention to award the contract. Failure to meet these requirements within the allotted time shall be sufficient cause for rejection of bid.

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Specifications. All Plans and Specifications shall be returned to the District, whether or not a bid is submitted.

No bid will be accepted from a Contractor who is not licensed in accordance with the law under the provisions of Division III, Chapter 9 of the Business and Professions Code of the State of California.

The said Board of Directors reserves to itself the right to reject any or all bids and or waive any irregularity in a bid.

Forms of Proposal, Contract, Plans and Specifications may be obtained upon application to the District for which a deposit of Five Dollars ($5.00) will be required. The deposit will be refunded provided said plans and specifications are returned in good condition within thirty (30) days of the date of opening of plans and specifications are not returned as herein provided the deposit shall be forfeited.

'Beat Proposition 10' Says Sheridan Hegland

The entire process of condemnation of private property by governmental agencies needs legislative investigation and reorganization," Assemblyman Sheridan Hegland (D-La Mesa) said Thursday at a "coffee" at Poway. Hegland was selected by the speaker of the state assembly to write the official argument against Proposition 10 which appears in the state-published book, to be mailed to all voters.

"Condemnation was one thing 50 years ago when government was relatively small, but today when government has entered upon more and more enterprises and taken more and more functions, it is time we took a careful look at the procedures used," Hegland said.

He declared Proposition 10 extended a dangerous precedent by seeking to put in the state constitution provisions which would permit airports and schools to take immediate possession of property before a court trial was held.

"ONE THING"

To the young man who stood before Jesus with great wealth and social position, Jesus said, "One thing thou lackest." Some day you and I too will stand before Jesus Christ. All our accomplishments will be of no avail if we do not have that which the young man lacked. He lacked the faith which places Jesus Christ above all other things in life.

WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

When you think about national defense, you may not think of telephones right away. Fact is, though, you'll find phone lines at the heart of our defense setup. For instance, long-range bomber bases of the Strategic Air Command depend on phone lines for trigger-fast communication; and in our test centers, like the one shown above, we keep a never-ending watch on these vital communications pathways. Phone lines also keep the Air Defense Command in split-second touch with missile launching sites. Telephone men from the Pacific West have also helped build other defense communications systems. We're happy that our people can help—in these and many more ways—to keep the U.S. strong.

BEHIND THE UNITED FUND!!

This month attention is being focused on the United Fund drive. Miss Sue Sharpe, seated, is explaining to Eleanor Browning, Jan Mcrae, and Pat Shepard (l to r) the advantages of subscribing to A-I-D which is our way of participating in this worthy cause. Telephone employees are behind this method of contributing as evidenced by the 90 percent or above participation in preceding years. Meetings are being conducted in our buildings on La Mar Street, Spring Valley, Lemon Avenue as well as the Business Office on La Mesa Boulevard.

Good Reelected To Milk Council

Hugh D. Good, formerly of Lemon Grove and now a Santee dairyman, was recently reelected chairman of the board of directors of the San Diego Milk Council. Also reelected to serve as secretary of the board, was Gordon R. Cromer of Chula Vista. Their present offices extend to April, 1961.

Other Milk Council board members are Eugene Hager of Ramona, Bill Schneider of Poway and Walter Hofer of Imperial Beach.

The San Diego Milk Council is an organization of all milk producers who sell to distributors in San Diego county.

Prop. 17 Primer Ready Says Hoy

"A Primer on Proposition 17 and why it Should Be Defeated" has been prepared by a citizens group to combat this deceptive measure, Wayne Hoy, chairman of the Lemon Grove committee to oppose this proposition announced today.

Chairman Hoy said that the San Diego County Tax Partisan Committee To Defeat Proposition 17 has just completed a study of the measure and has prepared a "capsule" resume "to help the average, busy voter to comprehend the hidden dangers lurking behind the empty promises of this Proposition 17."

Bands, Flag Twirlers, Majorettes Will Take Part In College Show

All three area high school bands, flag twirlers and majorettes will take part in halftime ceremonies on Saturday of this week at the San Diego State-Los Angeles State football game in Aztec Bowl.

Participating in the mass band "Music of the West" show are: Grossmont high school band, led by Arthur Schwuchow; Helix high school band, led by James Marso, and Mount Miguel high school band, led by Larry Christianson.

A total of 920 band members from high schools and the State College band will take part in the show. The Aztec marching band will stage a pre-game show at 7:30 p.m. The football game starts at 8 o'clock.

Flag twirlers and majorettes from the 11 schools will perform under the direction of Bob Roberts, head of Bob Roberts Enterprises, Los Angeles. Roberts is nationally known as a twirler and authority on the art of drum majoring.

Norman Rost, associate professor of music at San Diego State is in charge of the fourth annual band night, sponsored by the college Associate Students. Rost will be assisted by Millard Biggs, assistant professor of music.

Quarter Midgets Roll On Grove's 'Speedway'

FINALE. Only two more programs of quarter midget races will be held at the Lemon Grove midget speedway at the St. John of the Cross church. These dates are October 26 and November 9. The races, sponsored by the Lemon Grove Optimist club attract enthusiasts from all over the county. Drivers of the racing cars are in the sub-teen group. In picture above, the Rt. Rev. Msgr. John McDonagh, of the church is blessing the youngsters at the start of the project.

Four Generations Unite In Lemon Grove Reunion

FOUR GENERATIONS - Great-grandparents, grandparents, parents and grandchildren are represented in this photo taken at the swimming pool at the home of Mr. and Mrs. Garland F. DeRoche, 1856 Ensenada, Monterey Heights. The long-lived family was reunited when great-grandparents Mr. and Mrs. Asa F. Richardson of Bangor, Maine, arrived recently to spend the winter here. Seated, from left to right, are Mrs. Herbert L. Swasey, grandmother; Mrs. Asa Richardson, great-grandmother; Mrs. Richardson, great-grandfather; and Mrs. Garland DeRoche, mother. Kneeling, are Everette L. DeRoche, 12, and Jane L. DeRoche, 7, grandchildren. Mr. and Mrs. Richardson have been married 62 years. Mrs. Swasey lives at 4944 Niagra street, San Diego.

ABSENTEE BALLOTS AVAILABLE

Voters who plan to be absent from Lemon Grove election day, November 25, when the issue of incorporation of the city will be voted on, may obtain absentee ballots at the office of the Lemon Grove REVIEW, 7634 Lester avenue.

Forms are available now. They must be filled in and returned to the registrar of voters not less than 5 days before the election.

Governor, Mrs. Knight Get Key To L.G. City

KEY TO THE CITY—Governor Goodwin J. Knight accepts key to the city of Lemon Grove from Jim Spears, finance committee chairman for Committee of 1,000 for incorporation while Mrs. Knight looks on.

Knight, in an informal talk recently to the Lemon Grove chamber of commerce, at a breakfast meeting at Michael's said that smokestacks must replace geraniums in order to meet the job and economic needs of the thousands of persons coming to California every week.

Incorporation of Lemon Grove, he said, appeared to be one step in meeting local problems.

HATtitudes

1. Monsignor Edward A. Freking, pastor of St. Mary's Church, Hyde Park, Ohio, spoke up recently on how to dress for church when he said: "It should be obvious, except possibly to the spiritually blind, that a piece of Kleenex balanced upon the top-knot is not a hat . . . Catholics in many instances have become sloppy in their dress to church."

2. Joan Crawford, Mrs. Alfred N. Steele, in Parade, said "I am crazy about hats. But if my husband shows that he doesn't care about a new one, back it goes to the store even though I'm mad about it myself."

3. Marguerite Piazza, Mrs. William J. Condon and famous opera star, claims: "My clothes really help me. I'm influenced by them. My face and personality change with every hat, every type of costume I put on." (reported by Mary Prime of UPI)

4. John Robert Powers in his column SECRETS OF CHARM: "Nothing adds more interest to a costume than accessories — when they are right. That is true whether it is a pair of shoes, gloves, a scarf, a purse or a hat. It's the head-to-toe, smooth integrated look that turns a collection of things into a smart look."

5. Hedda Hopper says—"When you feel depressed . . . Buy a new hat . . . a gay one." In other words, resolve to "Live Better Now" . . . Why Wait?

☆ Over one million patients are treated in mental hospitals in the course of a year. An estimated 2,500,000 adults and children are seen each year in psychiatric clinics and by private psychiatrists.

Harry's Opens Auto Supply Store Locally

Lewis Enos has been named manager of Harry's Auto Supply, 7341 Broadway in Lemon Grove it was announced this week as a Grand Opening event was scheduled.

The firm, said to be the largest independent auto supply chain in San Diego County now operates four stores. Seat covers are installed at all stores but muffler installation service is given only at the downtown and North Park stores. The firm has been in business 20 years and carries complete lines of parts and accessories, rebuilt and new.

The Lemon Grove store will have an off-street parking area and three full time employes will serve patrons.

Enos said the store was opened here to accomodate the growing number of customers who reside in the Lemon Grove, Spring Valley, Encanto area.

Gertrude Boltz Is 'Wool 'Contestant

Gertrude Boltz, 8024 Mt. Vernon street, Lemon Grove, will be a contestant in the Make it With Wool contest to be held Sunday of this week at the Del Mar Fairgrounds.

The contest is sponsored by the Cal-Wool Marketing Association and the Wool Bureau. The San Diego County Farm Bureau is conducting the contest at the local level. Mrs. G. Audrey Fissen of Encinitas is the district chairman.

University Extension To Present 'Crime, Punishment' In Film Series

The fall 1958 International Film series, presented in San Diego by University of California, will kick off October 23 with the showing of the Swedish film, Crime and Punishment," based upon the classic story by Russian novelist Feodor Dostoevsky. The movie to be presented at the Ken theatre, 4061 Adams avenue, will be the first in a series of four prize-winning films to be shown under the International Film Series program.

Another presentation of the university's extension is the pic ture writings of painter Vincent van Gogh using the dramatic talent of actor Vincent Price On Nov. 20 in "Dear Theo," a dra matic reading of Van Gogh's let ters to his brother, Theo which will be presented in Pacific Beach Higgins Institution of Oceanogra phy and the Theatre Arts Foun dation of San Diego county are co-sponsoring the event.

The readings will be held at the Pacific Beach junior high school auditorium, 4676 Ingraham street, at 8:15 p.m.

The Extension announced this week enrollments are still being taken in the Extension course, "Astrodynamics and Rocket Navi gation," taught by astronomer Dr Robert M L. Baker of UCLA.

The course of value to missile men and others concerned with the problems of space navigation, covers the astronomical aspects of the rocket problem and celes tial mechanics.

Enrollments may be made and more information may be obtain ed at University of California Extension office, 1221 Fourth avenue, San Diego.

Police Expenses Can Be Deducted

Police officers still are entitled to deduct ordinary and necessary business expenses on their federal income tax returns, Robert A Rid dell, district director of Internal Revenue, emphasized today.

This is true, he said, even though a recent law repealed the $5-a-day tax exemption on statu tory subsistence allowances re ceived by some police officers.

Riddell said police officers may deduct, directly from gross in come on page 1 of form 1040, ex penses for travel, meals, and lodg ing while away from home over night and local transportation ex penses incurred on the job. He said they also may deduct other necessary job connected expenses on page 2 of form 1040, if the standard 10 per cent deduction is not claimed.

Riddell said the new law re quires income tax to be withheld on all salary payments received by officers after September 30, even though a portion of the pay ments may be designated as a subsistence allowance.

134-Bed Hospital Addition Authorized By Trustees

Bids for construction of a 134-bed addition to Grossmont hos pital were authorized last week by the hospital's board of trus tees, Louis Peelyon, hospital ad ministrator, said last week.

Construction of the addition is expected to begin early in De cember, Peelyon said, with bids expected to be advertised for about October 15. Drawings and specifications will be sent to pros pective bidders October 21. The district tentatively expects to for mally receive bids in mid-Novem ber.

Cost of the addition, approxi mately $800,000, will be financed with federal, state and local funds with each agency contri buting one third.

The board of trustees also ap pointed Miss Katherine Cline of 7407 Alvarado Canyon road, dir ector of personnel and public rela tions at the hospital, according to Peelyon. Miss Cline has been employed in that capacity by the hospital since June 1. She has been conducting research and surveys on the hospital's growth, needs and policies.

Previous to June 1 she was associated with the research de partment at Scripps Clinic in La Jolla. She was graduated with a journalism degree from the University of Illinois and obtain ed a master of arts in science and journalism at Northwestern Uni versity.

A jackpot and a cracked truck . . .these items attracted attention in the Lemon Grove area last week.

Mrs. D. F. Ellis Winner Of Jackpot Drawing

WINNER — Earl Nelson, president of the Boosters Club, sponsors of the Jackpot drawings, presents Mrs. D. F. Ellis with $100 in script after her ticket was drawn recently. Drawings are held every Friday night at 7. Shoppers in local stores are given coupons without charge to be eligible for approximately $1,000 cash prizes.

Events as wide apart as overturned trucks and jackpot drawings attracted attention to Lemon Grove area residents recently.

The Lemon Grove Boosters club, representing local business firms, this week have changed the drawing day and hour for the weekly "Pot of Gold Treasure Chest."

The drawings are now conducted every Friday at 7 p.m. in the plaza in the center of Lemon Grove. Anyone who shops in Lemon Grove and accepts the merchants' free coupons becomes eligible.

Winners are given "treasure" in ratio to the amount of the purchase they made when they acquired the lucky coupon. In August, for example, Mrs. John Hendrix of 745 Jacumba street, La Mesa Village got $300 October 2. Mrs. D. F. Ellis (see photo) got $100 and last week, Mrs. Clarice Bennett, 3719 Suffolk street got $100.

This bears out the merchants' theme in the project that "it pays to shop in Lemon Grove."

—o—

The upturned beer truck resulted when Fred Aguilar, 2305 Van Ness street, National City, driving along Sweetwater road at Palm street, swerved his vehicle to avoid hitting a passenger car which stopped suddenly.

Aguilar suffered minor injuries. Mrs. James C. Minehinton of Spring Valley, was driver of the other vehicle. She suffered no injury.

Beer Truck Flips Load Into Local Tomato Patch

ORIGINAL BLOODY MARY — Passersby at the corner of Sweetwater road and Palm avenue recently could have misconstrued the situation and thought preparations for making that popular drink were being made when they viewed the scene. Both ingredients for the drink were available at the accident scene when a beer truck overturned in a tomato patch, spilling cans and bottles of beer over a wide area.
